Science

Animals including humans

In this unit the children will learn about nutrition and skeletons.

Rocks

In this unit the children will learn about rocks, fossils and soils.

Topic

With the introduction of the New Curriculum, Newberries is taking a cross curricular approach to teaching the skills. This will be taught through 'Topics'. Each Term a new topic will be introduced to the class

The theme of the topic for this Autumn term is:

Caves and The Stone Age.

We have already asked the children what they are keen to learn within the theme. We will be taking their ideas to create the topic which covers skills in Geography, History, Art, Design and Technology, Science, Music, PE and Outdoor Environment . We are really excited about the topic and hope your children leave the classroom full of enthusiasm and keen to continue their learning at home.
