

Newberries Primary School - Curriculum Overview – Year 6

The idea of the Curriculum Overview is to offer parents a picture of the year as a whole. Further detail of each subject area / topic will be given in the Termly Curriculum Leaflets. Hopefully the overview will offer you chances to further support your child's education at home by helping them, make connection with their learning and the many varied experiences they enjoy outside school. Page numbers refer to the page in the National Curriculum documents the topic appears.
