Stories with flashbacks

Read the following paragraph. Your task is to write a brief flashback based around this opening paragraph. Think about what he sees in the picture and what memory it may have brought back to him.

Bruce strolled over to the desk. He picked up the dusty photograph frame that had lain there for years. He gently swiped his thumb across the glass to unveil the picture, where he saw something that awoke a vivid memory in his mind.

Think: *adjectives, adverbs, expanded noun phrase, parenthesis, fronted adverbials, commas, semi-colons.*
