Headline News - Ms Peters & Mrs Traxon

We look forward to having a final attempt at Sports Day next Monday afternoon (17th July). We are quite amazed that we managed to pick the only rainy day in what feels like weeks for Sports Day last Tuesday! We hope that the weather is kinder to us on Monday and that the children get the chance to compete.

Thank you to everyone who was able to make it to Celebration Afternoon. It was good to see so many parents looking around the whole school as well as taking the opportunity to enjoy a closer look at what your own children have been doing. The event also gave parents and children the chance to meet their teachers for next year. The children also had an opportunity to spend a little more time with their new teachers on Thursday morning.

Last week we had our Summer Review Meeting with our Hertfordshire Improvement Partner (HIP). We had an extremely positive session where the school was congratulated on the progress it has made since our OFSTED Inspection and some impressive end of Key Stage results. Thank you to all our wonderful staff and Governors who work so hard to ensure the best for our children and are committed to supporting our school in continuing to grow.

We ended our week with Year 4s Cuffley Assembly. They had an amazing time camping in the woods at Cuffley and were keen to share many tales of the trip!
