Headline News - Ms Peters & Mrs Traxon

This week we met with all class teachers for Pupil Progress Meetings. These meetings are held each term and involve the class teacher and the Senior Leadership Team. We look at the attainment and progress of each pupil and evaluate how they are doing. Time is also spent during these meetings planning and making sure the curriculum and provision in each year group meets the needs of all pupils. We always find these meetings informative and thoroughly enjoy discussing our hardworking pupils!

Our class pages have started this week. We hope these will give you a little more detail about something your child has experienced in class this week, providing you with an opportunity to talk further with them about the experience if you would like to. Class pages will be updated each week with a brief summary and a photograph.

Follow this link to our website to take a look at your child's class page.

We look forward to seeing those parents who are able to attend the 'Meet the Teacher' sessions next week. Handouts distributed during the meeting will be posted on our website next week.
