Headline News - Ms Peters & Mrs Traxon

YOUR SCHOOL NEEDS YOU!

We are looking to establish a bank of volunteers. If you have time and skills you feel you could offer the school as a volunteer, we would love to hear from you. Please drop an email to admin@newberries.herts.sch.uk for further details, using the subject 'Volunteers'.

We recognise that parents and carers have a great deal to offer our school and we warmly welcome you to get actively involved in school life at Newberries. We hope that our plan to make greater use of volunteers in school will further enhance our engagement with parents, but also free up staff to focus on the core elements of their role. In times of financial constraints we are looking to optimise our resources to the best outcome for our pupils. We are most grateful for your support and look forward to sharing to hearing from you!

Information

Welcome Back!

We are delighted to have Miss Picton back in school this week having returned after her maternity leave. She will be teaching in the school for two days a week.

Grants for Schools

There are a large number of grants available for schools to access. These can cover a wide range of items and projects, however take time to manage and apply for successfully. If you have experience of making grant applications and free time you feel you could volunteer to the school in this very specific way, please contact Hazel Wilkinson in the school office for further details.
