## Headline News - Ms Peters & Mrs Traxon

Another busy week! We started off on Monday with Year 5 visiting Hazard Alley. Hazard Alley is the Safety Centre in Milton Keynes, set up to represent a local community. Whilst there the children experience situations which could pose risks and are supported in making their best decision in these situations. The experience involves them responding to a house fire, as well as considering their personal safety online.

On Wednesday, Years 2 to 6 enjoyed an author visit from Jack Trelawny. He explained what inspires him to write and how he comes up with his ideas. Many children then went on to buy a book and get it signed. It was a lovely experience. If your child would like to buy a signed book there is an email attached to explain how they can do this.

The week ended with Year 2's lovely assembly on Mother's Day. It was wonderful to see them celebrating their families in this way. Thank you

also to the PTA who ran the very successful Mother's Day shop this afternoon. We hope lots of mums out there enjoy their special surprise gift this weekend!

Finally, thank you to all parents who attended Parent Consultation evenings this week. As always it is a perfect opportunity to celebrate successes and consider next steps.
