Headteachers: Ms N Peters & Mrs A Traxon

The PTA would like to thank everyone for coming to our "Harry Potter" fair. The sunshine meant we had a fabulous turn out and are pleased to announce that we made a fabulous grand total of £4062!

We couldn't organise the fairs without the incredible co-ordination from the class reps and all your help as parents manning the stalls. The best part of the day was seeing all the children having such a lovely time and so we can't thank you all enough.

Talking of your help, with a few changes in the committee next year, we really do need some new members to join us on the PTA. We have some fabulous events planned already (watch this space) and whatever help you can offer would be appreciated. If you can't be a full committee member and can just help out at one event a year that would also be fantastic! So if you are interested in finding out more, without obligation, please contact Nicole on 07930 371377 or ptanewberries@gmail.com

Don't forget to check out the Newberries wish list www.ptanewberries.org.uk to see what the fun things the teachers are asking for this month to enhance the children's learning experience for the rest of the term and from September.

We will see you at sports day next week cheering the kids on.
