

Newberries Primary School

'Play Together, Learn Together, Achieve Together, Grow Together'

Pupil Premium Strategy 2016-2017

Main barriers to educational achievement faced by pupils eligible for the Pupil Premium Grant at Newberries:

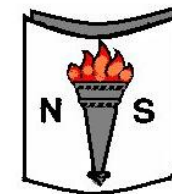

Barrier 1:	Barrier 2:	Barrier 3:	Barrier 4:
Children coming into school at a lower baseline in reading, writing or maths. We aim to diminish the difference each year that they attend Newberries.	Children experiencing social, emotional and behavioural issues, which can be a barrier to learning.	Sometimes opportunities for extended learning experiences beyond the school day are limited. Enrichment Opportunities are supported to develop skills in foundation subjects.	Children enrolling at the school later than Reception, having experienced changes in setting for a variety of reasons.

2016-2017 Budget	
Year R- Year 6	Pupil Premium Ever 6
TOTAL	£17,160

NB – Percentages shown are representation of a very small number of pupils

'Play Together, Learn Together, Achieve Together, Grow Together'

	How we will spend the pupil premium.	Why use this approach?	How we will measure the impact?	Evaluation of impact on pupil achievement
Barrier 1: Children coming into school at a lower baseline in reading, writing or maths. We aim to diminish the difference each year that they attend Newberries.	<ul style="list-style-type: none"> TA / teacher increased support to provide more one to one or small group opportunities in school One to one teacher / TA intervention support to narrow gaps in children's learning. Assessment of in-class learning to inform planning of intervention work 	By using one to one or small group support children are having the opportunity to receive teaching that reflects their personalised learning needs.	<ul style="list-style-type: none"> Pupil progress meetings Data (progress and attainment) Progress against individual targets SLT monitoring and evaluation schedule to measure impact and adapt if necessary 	<u>% of Pupil Premium Pupils achieving Age Related Expectations at the End of KS1</u> Reading – 67% Writing – 100% Maths – 100% <u>% of Pupil Premium Pupils making expected progress at the End of KS2</u> Reading – 75% Writing – 50% Maths – 25%
Barrier 2: Children experiencing social, emotional and behavioural issues, which can be a barrier to learning.	<ul style="list-style-type: none"> Regular sessions with TA to support the needs of individual pupils. Teachers and TAs in close communication to support interventions. External services accessed if needed. 	We use the PPG grant to give children who need this access to counselling and play therapy that others may be able to afford. Supporting overall well-being has positive outcomes in learning.	<ul style="list-style-type: none"> Pupil voice Attendance Parent/ school discussion Achievement data 	See data above Attendance for 2016-17 – 95.62%

NB – Percentages shown are representation of a very small number of pupils

'Play Together, Learn Together, Achieve Together, Grow Together'

2016-17 Impact

- The vast majority of Pupil Premium children met age related expectations.
- In school data shows that the majority of pupils who have received additional intervention have made at least good progress with many making accelerated progress.
- External agencies used to support targeted pupils have been used successfully to enable further access to the curriculum.
- Extended opportunities were offered to those pupils who it was deemed appropriate.
