## Pupil Premium Strategy 2017-2018

Main barriers to educational achievement faced by pupils eligible for the Pupil Premium Grant at Newberries:

Barrier 1:	Barrier 2:	Barrier 3:	Barrier 4:
Children coming into school at a lower baseline in reading, writing or maths. We aim to diminish the difference each year that they attend Newberries.	Children experiencing social, emotional and behavioural issues, which can be a barrier to learning.	Sometimes opportunities for extended learning experiences beyond the school day are limited. Enrichment Opportunities are supported to develop skills in foundation subjects.	Children enrolling at the school later than Reception, having experienced changes in setting for a variety of reasons.
