Headline News - Ms Peters & Mrs Traxon

Following last week's successful hula hoop session, the children have been enjoying practising their skills using our new hula hoops.

Thank you to the PTA for a very successful disco last Friday. Good fun was had by all!

Well done to all the children who took part in the Phonics Screening, we are very proud of all of you.

We have ended the week on a wonderful high with Reception's first class assembly. We enjoyed seeing how much the children had enjoyed learning about the story of 'What the Ladybird Heard', we loved their acting out and their singing. An assembly to treasure!

For Your Information...

Easier, faster and more effective communication

We strive to ensure good communication with our parents. The text and email service – ‘School Gateway’ enables us to communicate with parents more quickly and cost effectively via email, text and smartphone app.

Save money by downloading the School Gateway app. If you have a smartphone, both you and the school can save money when you download the ‘School Gateway’ app from your app store (Android and iPhone). By doing this we can send you app messages (avoiding the cost of texts) and you can message us back for FREE.

Please sign up if you have not already done so.

Stars of the Week

“Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist. Be curious. And however difficult life may seem, there is always something you can do and succeed at. It matters that you don’t just give up.”

Professor Stephen Hawking

Congratulations to all our stars!
