Headline News - Ms Peters & Mrs Traxon

This week our Reception children have started staying all day at School- Well done Reception!

Sports Partnership

We welcomed back Mrs Charles from the Sports Partnership. She worked hard with Y5 preparing them for their role as play leaders. We have noticed how wonderfully Y5 have started this role and are helping children in their play at break time and lunchtime. Well done Y5!

Spelling homework

We are currently trialling the Spelling Frame website as a method for pupils to learn their weekly spellings. We feel that this is a fun, interactive way for the children to engage in spelling activities and provides a multi-sensory approach to the learning of spellings, which takes into account the different learning styles of children. We will be asking for parent feedback on its use before we break up for half term in October.

Ms Peters & Mrs Traxon

Meet the Teacher

Meet the Teacher' sessions will continue next week. Following feedback from parents, we are trialling all sessions being held straight after drop off starting at 9am. We hope this will help parents and be manageable for the school.

The session will be led by your child's class teacher and will include both general and class specific information. There will also be opportunities for you to ask any questions you may have. The session is intended to last approximately half an hour.

Diary Dates

25/09	Meet the Teacher Y5 @ 9am	Y5

PTA

Upcoming events

The PTA have many fantastic events planned for everyone this term. Please put the following dates in your diary:

19 October (Infants @ 3.30pm, Juniors @ 5pm)	Spooky Disco – please see the attached form for ticket details
4 November	Fireworks Night @ Tabard Rugby Club
1 December (12-3pm)	Christmas Fair

School Lotto

It's not too late to join the Lotto this month - please see the attached form for more details.

Thanks in advance for your support!

Stars of the Week

“Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist. Be curious. And however difficult life may seem, there is always something you can do and succeed at. It matters that you don't just give up.”

Professor Stephen Hawking

Congratulations to all our stars!

Y1	Jake	Y2	Enyo
Y3	Ruby	Y4	Meadow
Y5	Ben	Y6	Joshua
