Headline News - Ms Peters & Mrs Traxon

It has been good to see so many parents attending 'Meet the Teacher'. Please remember that we do operate an Open Door Policy. If you have a quick question you wish to ask your child's class teacher, please feel free to drop in and see them at the end of the school day. If it is something that you feel your child's teacher needs to know before the day starts, this can be passed on via the School Office or at the classroom door if the message is brief. If you feel that you need to share something with the teacher that may take a little longer, we recommend you contact the School Office to make an appointment. Formal Parent Consultations will take place in November, after half term, for which you will be sent details nearer the time. This will be a ten minute appointment where you can discuss your child with the class teacher.

Year 5 had an exciting afternoon this week taking part in a cross country festival. The children competed against schools from across the local area and were brilliant at supporting each other as a team!

As part of our routine monitoring of teaching and learning, we carried out a 'Learning Walk' this week. This involves visiting classrooms to observe a specific aspect of learning. We were delighted to see all the children engaged and working so hard.

We have ended the week marking 'National Smile Day'! We have shared a poem with the children which explains just how infectious a smile can be and spent the day trying our best to spread smiles around the school! Hopefully you will get a few extra ones tonight at home! 😊

<p>Second Hand Uniform Sale</p> <p>Thank you very much to everyone who supported our second hand school uniform sale last Friday. Lots of bargains were snapped up and we raised an amazing £102! A big thank you to Lucy Harrington-Smith for all her work in putting on the sale supported by a team of volunteers.</p> <p>After the success of Friday's sale the PTA are planning to hold another one after half term. If you have any uniform that no longer fits, but is still in wearable condition, please hand it in to the office. All uniform is welcome but we would particularly like jumpers, fleeces, boys' checked shirts, coats, girls' grey dresses and football boots. Thanks in advance!</p>	<p>Spooky Ball</p> <p>Please hand your forms in for tickets for the children's Spooky Ball on Friday 19 October. We are looking forward to seeing the children enjoying this popular annual event dressed in their finest spooky outfits! Please buy tickets in advance as they will not be available on the door - see the attached form for ticket details.</p> <p style="text-align: center;">****Change of Date for Christmas Fair****</p> <p>Please note that the Christmas Fair will now take place a day later on Sunday 2nd December from 12-3pm. Please put the new date in your diaries.</p>

Stars of the Week

“Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist. Be curious. And however difficult life may seem, there is always something you can do and succeed at. It matters that you don’t just give up.”

Professor Stephen Hawking

Congratulations to all our stars!
