Headline News - Ms Peters & Mrs Traxon

It has been a busy week at Newberries, with the children taking part in a number of activities that further enrich the curriculum. Year 6 took part in a Kwik Cricket Festival, and Year 3 enjoyed a festival of Tri-Golf! All the children did exceptionally well, and a special congratulations to the Year 6 team who came first in their competition.

Year 1 had a very exciting day at The Roald Dahl Children's Gallery at Bucks County Museum. They had a lovely day exploring hands on activities based on his books. Highlights were making dream bottles and going down on the Great Glass Elevator!

Finally, the children and staff had a very active two days taking part in a Hula Hoop workshop. Each class participated in a session where they learnt the basic hula hoop technique and then they moved on to some impressive tricks. The workshops not only provide the children with a lot of fun but also a good hour of physical activity. A big thank you to the PTA who once again funded this enrichment activity for the whole school.

For Your Information...

Phonics Screening Week

Next week all pupils in Year 1 will complete the statutory phonics screening.

The phonics screening check is a quick and easy check of your child's phonics knowledge. The check will contain a mix of 40 real words and 'non-words' (or 'alien words').

The check takes just a few minutes and is carefully designed not to be stressful for your child. The results of the check will be included in the children's end of year report which you will receive in July.

Diary Dates

Stars of the Week

"Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist. Be curious. And however difficult life may seem, there is always something you can do and succeed at. It matters that you don't just give up."

Professor Stephen Hawking

Congratulations to all our stars!
