# Our Behaviour Policy

A Headteacher's Award is given to a pupil who does something positive which stands out!

 <p>Role Model</p>	 <p>Exceeding Expectations</p>	 <p>Effective Learner</p>	 <p>Ready to Learn</p>	 <p>My Choice</p>	 <p>Teacher Choice</p>	 <p>Support from Others</p>
---	---	--	--	--	---	--

Our therapeutic approach to Behaviour Management is designed to de-escalate situations when children find it difficult to regulate and manage their emotions. Pupils are also encouraged to engage in a suitable consequence, rather than a punishment, to help them learn from these moments.

# E-safety

Please check your emails for your e-safety agreement enabling school and home work together to keep children safe online.

## My online safety rules

- I will only use school IT equipment for activities agreed by school staff.
- I will not use my personal email address or other personal accounts in school
- I will not sign up for any online service on school devices unless this is an agreed part of a school project approved by my teacher and agreed by my parent/carer.
- I will only open email attachments if it has been approved by a member of school staff in school or a parent/carer out of school.
- In school I will only open or delete my files when told by a member of staff.
- I will not tell anyone other than my parents/carers my passwords. I will not use other people's usernames or passwords to pretend to be them online.
- I will make sure that all online contact I make is responsible, polite and sensible. I will be kind and respectful at all times.
- If I come across anything upsetting, unpleasant or nasty, or anything that makes me feel unsafe, I will tell my teacher or my parent/carer immediately.
- If someone says, asks or posts about me anything upsetting, unpleasant or nasty, or anything that makes me feel unsafe, I will not reply. I will tell my teacher or my parent/carer immediately.
- I will not give out my own or other people's personal information, including: name, phone number, home address, interests, schools or clubs. I will tell my teacher or parent/carer if anyone asks me online for personal information.
- Uploading or sending my image (photographs, videos, live streaming) online puts me at risk. I will always seek permission from my teacher or parent/carer if I wish to do this. I will not take, share or upload any image of anyone else without their permission and also, if they are a child, without their parent's/carer's permission.
- Even if I have permission, I will not upload any images, videos, sounds or words that could upset, now or in the future, any member of the school community, as this is cyberbullying.
- I understand that some people on the internet are not who they say they are and some people are not safe to be in contact with. I will not arrange to meet someone I only know on the internet. If someone asks to meet me, I will not reply to them and I will tell a teacher or a parent/carer immediately.
- I understand that everything I do or receive online can be traced now and in the future. I know it is important to build a good online reputation.
- I understand that some personal devices are allowed in school and some are not, and I will follow the rules. I will not assume that new devices can be brought into school without getting permission.
- I understand my behaviour in the virtual classroom should mirror that in the physical classroom
- I will not lie about my age in order to access games, apps or social networks that are for older people as this will put me at risk.
- I understand that these rules are designed to keep me safe now and in the future. If I break the rules my teachers will look into it and may need to take action.

## Useful Information and General Reminders

### Communication

Good communication is important to us. Please help us by... reading Newsberries each week; responding promptly to requests; checking our website when we alert you to new content; signing up for School Gateway and keeping us up to date with your contact information. Please communicate with your child's teacher via emailing The School Office.

### Drop Off and Pick-up

We will continue to have a staggered pick up and drop off times via a one-way system. Please remember to only arrive at school during your allotted time and not before as this will trigger delays for other peer groups. If your child is in Y5 or Y6, please give written consent for your child to walk home. No other Year Groups will be able to leave the school grounds without an adult present.

### Walk To School

Walking to school is important for our environment and to help limit people travelling by public transport. If you don't fancy walking, why don't you scoot or bike into school. If you live too far away choose to park and then stride into school. Remember to make use of the Newberries one-way system to help in times of heavy traffic. Considerate parking keeps our children safe.

### School Office

The School office is open via phone or email between 8.50am and 3:30pm. Please note that most correspondence is now electronic and that payments can be made using School Gateway. On the odd occasion of a letter needing to be physically handed in, please ensure that your child gives it to their class teacher.

### Anti-Bullying Policy

We have a strong culture of anti-bullying within the school, supported by ongoing work through PSHE lessons. If you are concerned that your child is developing a relationship which is concerning you, please contact us at the earliest opportunity.

### Absences

Please inform the school office on the first day of any absence. You must inform the office if your child is absent due to Covid-19 symptoms, or isolating due to another member of your household having symptoms. Absences for reasons other than Covid-19 such as religious observance, illness and appointments are strongly discouraged.

**Want to be more involved? Support the PTA; consider volunteering to help in school or as a Parent Governor. Please contact the school office if you are interested in volunteering.**
