

CRAZY CUTTING'S!

On November the 16th 2018, Newberries Primary school had a day called crazy hair day! It was where the whole school made their hair weird, crazy and awesome.

Everybody had awesomely weird hairstyles and had a brilliant day chatting about them. It was fantastic and Amye in year 4 said "I was really tempted to colour Meadows hair with my berol." I thought that they were outstanding and that their parents had put a lot of effort into them. Lily in year 3 had LOADS of ponytails and Saul had had green hair with bugs in! Most of the boys had their hair dyed and River in year 4 said "I had blue and green down the side with white at the

top" (the white was dry shampoo.) Zachary S. in year 4 said: "I personally thought his hair looked cool." Girls had weird but also very interesting hairstyles, Scout must have had something put in her hair as it was very tall and dangly. Everyone loved their hairstyles and throughout the day they chatted about them.

Amelia with springy hair!

Year 4 and the school can not wait for school circle to find out about enrichment week!

Baby Lucas with crazy hair!
